MORE BREE

When I saw Bree on the cover of your magazine, I had to buy it. She was and still is one of my favorite ladies. I think I've seen almost all of her movies and she's a great performer. I would jerk off to her all the time. Her rockin' body and amazingly good looks were always a turn-on for me. But I hadn't seen her in a magazine and then, there she was at my newsstand. Way cool!

— Chris, Houston

Warm weather sex

Kat was blonde, smart, very sexy and she had a body of a top-model. She's Swedish and I was vacationing in Stockholm when we got to know each other over the Internet. We both discovered that we loved sex and decided to meet at a cafe and to make it happen. She invited me to her house in Solna and I was very surprised when she asked me to sleep with her from the first night. Of course, we began to kiss and then she asked me to lick her pussy. She was very satisfied, not only by the oral sex, but by all the positions we have tried, including doggy-style. I even had the courage to cum inside her, because I don't like to use the condoms. We spent many a day and night together for over a year and my sexual experiences got richer and richer. Now I feel that I'm able to do to a woman anything she wants me to do – regarding sex. I can do anal, oral, normal.

After a year we split and I met another Swedish lady that I pursued for a few months. She was inattentive at first, but I think my persistence wore her down. One day she agreed to have dinner with me by the water and afterwards we went for a walk along the promenade. We came upon a relatively secluded spot and I began to kiss her on her mouth, to suck her nipples until she got very excited and horny. Then we both went to a park and laid down on the grass. I started to kiss her body and my dick

got harder than ever. She grabbed my cock and pulled it into her pussy. She liked my cock in her pussy. I began to push harder she started to moan loudly. I thought we were going to be discovered, but none of us couldn't stop. We both climaxed quickly and we both were satisfied. I was happy because I succeeded to fuck her after all the time I spent chasing her. After that first night, she wanted to make love every time and everywhere. We liked to go out into nature and have wild sex away from everyone which was like a dream to me, especially because we were living in a very cosmopolitan area of Stockholm.

One of my favorite positions is when the girl sits on top of me and bends her body down towards me. I also like to take her with her back to me on her knees – doggy. I'm not a big fan of having sex during winter, but during the warm and hot seasons, I'm ready to go all the time. I like European women and American women and would love to have sex with an Asian woman one day soon. I also like shaved pussy rather than the hairy pussy.

I've never written to a magazine before and it's probably going to be my only time, but I just had to tell you about my Swedish girls.

so I asked my brother for a few aspirins and he gave me two and it helped. A couple hours later and feeling better, I got a call from my buddy Frank asking if I was into hanging for a while and I said 'Sure.' He then asks if he could bring his girlfriend and her friend, so I said that would be fine with me. A half hour later he calls me and said they decided to go over to their house. I say 'Whatever. That's cool with me.'

They pick me up and we head out for their place. Frank's girlfriend's friend, Aimee, was looking really nice with a nice rack and long slim legs. She wore a nice simple dress and had a great smile with full sensuous lips. When we got in Frank's car, she sat in the back with me and we made small conversation to get to know each other a bit. When we got to the house, we kicked back with some beers and sat down to watch some television in the living room. When I noticed it, the new TV was huge. Frank had been talking about getting a room-size TV and he almost did it.

"It's 72 inches." he said like a proud papa. The girls giggled. He put *And God Created Woman* into the dvd deck and we sat back to enjoy Bridget Bardot on the big screen. Thirty or forty minutes into the movie, I needed my drink refreshed and went into the kitchen with Frank's girlfriend to get some for everyone. "Aimee wants to suck your cock." she said right out of the blue. I looked at her and just smiled. I didn't know what to say. When we came back to the living room, Aimee was now on the sofa and Frank had moved over to the loveseat. They were trying to get me to sit next to her.

The movie ended a half-hour later and Aimee puts her head on my lap as if to rest

or catnap. But she then reaches over and puts her hand by my dick and began moving it around my crotch making me hard. She looks up, smiling at me and asked if I liked it and I told her I did. I look at Frank and he motions me with a nod of his head that we can go use the guest bedroom. She took me by the hand and I followed her to the room. I closed the door behind us and turned the light off. She pulled me over to the edge of the bed and whispered "Get those pants off." I unzipped and slid them down halfway and she told me to lay down on the bed. Once I laid down she climbed on top of me and grabbed my dick and slid it in her mouth. It felt so good. She was moaning while twirling her tongue around the tip of my dick and then she would go further down and come back up. It was great.

I started to play with her boobs and she was going faster and faster until I couldn't take it anymore. I told her I was going to cum and she just kept sucking. I then shot load after load down her throat. Some was dripping on to my dick and she licked it off. We disrobed completely and got horizontal on the bed. We fucked all night until the sun came up and did it for a couple hours more. It was an amazing night and I've been seeing Aimee regularly. Her sexual appetite has not diminished and mine has grown. If things stay like this for a few more months, I may pop the big question.

Summer's Hot!!!

Wow, man, when I saw the pictorial on Summer fuck-ing this black guy I was really turned on. I'm a bit of a lipstick lesbian so it had to be pretty hot to do that to me. But it was Summer with her great face, smoking body and inviting pussy that did it for me.

I just had to show my lover and we decided to download the video and watch it that night. I brought the computer to the bed and put it between us as we fingered each other's pussies. Then after only ten minutes, we lost track and fucked each other silly.

Don't cheat, unless you must

I'm writing as a lesson for all you men and women if you decide to cheat on your significant other. A couple months ago I had to attend a meeting at a hotel conference center near the airport. Some material I needed was at the house, which is on the way to the hotel, so I stopped in to pick them up. I noticed my husband's car in the driveway and thought her had come home from work early. When I walked into the house and into the bedroom looking for him, I found him (the bastard) with another woman. He sat up, completely still, while she covered herself with our sheets. I quickly dropped my things and darted towards the bitch, pulling her by the hair and screaming at her. My husband, on the other hand, said nothing and just sat there. Within several minutes of attacking the bitch, she ran out while I stood in the doorway of our bedroom looking back at him once again waiting for him to say something.

"Baby, it's just not what it looks like." He whimpered, but I hushed him putting my lips against his, sliding my tongue along them. "I know this happened because I'm working to much?" I pouted, pulling off my blouse and bra. He looked dumbfounded. "I'll show you there's no other woman out there but me." I moaned grinding his already erect cock. I lifted my skirt and massaged my clitoris "Ahh!" I whined as his lips found my neck. I was already soaking through my panties and he'd been growing impatient, I gripped his cock and pressed it against my pussy, pushing it inside me. After adjusting myself, I began bouncing on his cock, riding him hard.

I cried "Harder, do it harder." as his sex

ground into mine and not too much later his hand struck my ass. Again. And then again. I rode him faster and faster, grinding my pelvis into his, massaging my clit against the base of his cock and I heard him grunt as he began to fill me. It was a thick load and it overflowed outside of my pussy. A few thrusts later and I finally achieved mine, squirting onto his cock and falling onto his chest. "I love you." I panted before kissing his cheek. I went down and began to lap up our cum and he grew hard once again. I gripped him and sucked on his sloppy wet cock. I loved massaging his balls. I loved everything about them. I leaned down and sucked on them while his cock grew thicker and harder, I wanted to him to fuck my boobs. I pulled him to sit up but before he could question what I was doing I was rubbing the tip of his cock against my nipple. I pressed them together offering friction for his thrusts.

I loved it when he played with them because they were immensely sensitive. "Cum on my tits, please!" He shook his head at me and I pouted until he pulled me up and shoved me against the wall to press his cock to my pussy. I moaned as he thrusts, and he covered my mouth with his and thrust harder. I moaned wrapping my legs around him, "Fuck meeeee!" He groaned and came inside me again but didn't slow down. His balls smacked against me and his panting grew heavy. Just the sounds threw me over edge and I squirted all over his cock, screaming in ecstasy. I didn't attend my meeting that afternoon.

Like many men, I'm in love with lesbian sex scenes. They are the hottest erotica on earth. Forget a girl and guy schtupping. I love lesbians. When two hot girls get together and lick each other or fuck each other with toys. It just doesn't get any better than that.

I'LL GAG ON YOUR COCK, TOO

girls will be girls

even if one is married.

I initially met Devin a couple years ago at a company retreat at Scottsdale. She had only been with the us for a month and was a little scared at her new job. But she quickly fit into R&D and just recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. Last month she got married and there was a little office party for her. Her new husband worked in sales for one of our suppliers. That's how they met. He'd bring by new products and show them. Devin was in charge of buying lab supplies for us, so she would meet with him every time he came in. They courted for almost a year and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. I heard it was nice.

It turns out that they purchased a large townhouse in the same complex I live it. I didn't know this until I saw her one day at the clubroom. She was setting up a small party to watch the NBA playoffs. I happened to be walking through to go to the workout room. She was in a short blue summer dress that showed off her long legs. It also framed her bust nicely and I noticed how full it was. At the office, the clothes we must wear are not very flattering and she's often in a lab coat.

She looked so hot today. I had a crush on her right away. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each

other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls to Atlanta and so she invited some friends to come by and watch the games with her, hinting that she didn't like being alone.

She invited me to come. The games were on Friday, Saturday and Sunday, and she had reserved the clubroom from four until ten for those three days. I said I'd love to, even though I wasn't a big basketball fan. She said she wasn't either, but she wanted to show her husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to a Hawks playoff game while he was there. We talked for a few more minutes and I headed off to do my

workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then went on with her setup.

The next day I went to the clubhouse at three, a little before her guests were to arrive. She said that were going to be as much as an hour late so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told

her that I didn't, that I was gay and she seemed surprised. But she didn't have any apprehensions, giving me an approving smile. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and I felt like she was looking at me

YES, I'M WET.

differently. Soon, my sexuality was the topic she often brought up. Every time she did, I could see that she was enjoying it. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Her guests started to arrive around 4:30, and by 5 they were all there. Three couples, Devin and me. We watched the games and ate and drank and two of the three teams we wanted, won. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against me. Devin and I cleaned up a little and headed back to our homes about 10 that first night. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about eight and the mess was a little bigger. Again, I stayed and helped her tidy up and realized that I was getting more attracted to her. But she was married and her experimenting days were behind her. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes that night and shared a long hug as our paths diverged.

Sunday came around and only two of the three couples showed up. While the games were exciting, we were all losing interest and after the second game, the two couples went home. Devin and I cleaned up once again, but this time it was easy. I held a big trash bag open and she slid all the garbage into it and we were done in a half hour. Since it was still early, Devin invited me to her home for a glass of wine. Initially I

refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of a nice pinot grigio. I was very sure that she was checking my body as I saw her eyes moving up and down. She sat down

next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and didn't not realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the yellowish liquid all over my me. It glistened on my wet breasts, belly and thighs.

When Devin knocked on the door, it opened slightly. She showed me a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. As she walked in, I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked at me. I didn't know what to do and just stood there in my wine soaked undies.

Devin touched my neck and drew herself in closer. Then she ran a finger all over my neck and chest. Then she put her arm around me and pulled me in to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I could tell through her eyes that she wanted me and hoped I would give myself to her. I kissed her back. We kissed deeply. After a short moment, we let

go. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. Without an answer, she kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt. I looked at her and smiled. She slowly pushed me towards the sink counter and made me sit on it. It was obvious she wanted to be in control, and I liked being controlled.

Her hands were warm and I could feel them caressing my shoulders. Our eyes and lips were finally at the same level. Then she kissed my neck and started going down. When she reached my cleavage, she pulled down my bra a little and kissed me between my breasts. Then she started licking the remaining wine drops on my boobs, undoing my bra as she did. She leaned down a little more and kissed my breasts and then my nipples. And then sucked on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. Then she got on her knees and licked my leg and I played with her hair. She traced the trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She knew that I liked it. I love it when women nibble on me.

Her head reached between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. Then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. I tried to lend a hand but she gently pushed me back. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy

against mine. Finally put her finger inside. Those fingers were working inside me like a little orgasm machines. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then got back to work. She spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She kissed my nape and worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently and then a little harder. She licked my cheeks, my crack and kissed my rosebud. She gently tongued inside hole and slid her finger inside. At first it hurt, but slowly loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked, especially inside my pussy. She was building me up to a big climax.

Then I came so hard that I screamed loudly and my juices squirted on her face. She spanked my ass hard one last time and then made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I licked my cum off her face and kissed her again deeply. Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me. Her controlling body on top of mine. Our sweats mingling together. Her head on my breasts, her stomach against mine, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me.

I like to be licked from the neck down to my private spot. If a guy can do that for me, then most likely he'll be getting breakfast in the morning. I really like foreplay because if a guy can turn me on before sex, then the sex will be more intimate and explosive.
